Template

Koriscenu strukturu sajta sam samostalno konstruisao i vec koristio za predaju sajta iz predmeta Web programiranje 1, godine 2019 koji tada nije ostvario dovoljno bodova pa je bio zamenjen drugim sajtom.

Iz tog razloga sam strukturu ponovo iskoristio sa dodatim modifikacijama za ovaj predmet .

es, clubs were regarded as a central part of elite men's lives. Each club differed slightly from another but the right hand will offer some of the greatest experience for life.In many ways, they resembled a regular home-welcoming atmosphere for intellectuals.Not only that but they were used for such big establishments and also public discussions and debates."

{"naslov":"Becoming a Member",
"text":"Membership is the same even from the founding by election people after the proposers,who have known the candidate for other recognizable clubs (at least two or more),and formally nominate the person for membership. The election is by a special committee (itself elected),which may interview the candidate and which looks at any support and also objections of other members. Some top clubs still maintain distinctions of this matter which are often undefined and rarely explained to those who do not satisfy their membership requirements."
